Motion put and carried.

Amendments to Standing Orders.

Mr. Thomas Manjuran.—I beg to move the following amendment to Standing Order No. 3 of the Legislative Council. It is put down there as 3 (a) but it ought to be 3 (1). Add the following to Standing Order No. 3(1). "When such notification has been published and summons issued, the Diwan may, either before the meeting commences or during the course of the meeting, extend the time of the meeting by issuing a notification to that effect in the Gazette and in such a case no summons need be issued to the Members of the Council". The object of this amendment is very obvious. It may be that a day may become unavailable for the business of the House for some reason or other. In such cases the Government wish to have power for extending the days of the meeting. It is rather doubtful whether under the existing Standing Order the Government are possessed of such power. It is only to enable the Grvernment to do so that this amendment has been made. I pray that it may be passed.

Mr. A. Sankara Poduval.—This is a very important matter and this again is an encroachment on our privileges. Standing Order 64 says "Unless the President otherwise directs not less than fifteen days' notice of a motion for leave to amend the Standing Orders shall be given and the notice shall be accompanied by a draft of the proposed amendments". We have not had this fifteen days' time. This is an important matter affecting the privileges of the House and I pray that the President may not be pleased to condone this time limit.

Mr. Thomas Manjuran.—If the Hon'ble Members think that they have not got sufficient notice Government is not particular that this should be moved this time. It may be put off.

Mr. A. Sankara Poduval.—I pray that the President may not be pleased to exempt it from the operation of Standing Order No. 64 and that this may come up at the next meeting of the Council in Kumbham.

Deputy President.—I rule that this may be taken up during the next meeting.

Resolutions:— 1—Birth-control clinics.

Mr. K. Ayyappan.—The resolution standing in my name runs as follows:—

"This Council recommends to the Government to open Birth-control clinics in at least the important Hospitals of the State."
